

United Nations Rights of the Child

The aim of this group is to develop understanding within the wider school community of what the United Nations Rights of the Child are and what a Rights Respecting School means.

01. Role

This role involves supporting the UNCRC leads, Mrs Murphy and Barbara Dunlop to achieve our Gold Rights Respecting Schools award. You might be asked to:

- Help Mrs Murphy and Mrs MacDonald decide how best to help parents and carers understand The UNCRC and Rights Respecting Schools
- Actively share this message with parents and carers, once an approach has been agreed

02. Time required

This is an ongoing role which would require a maximum of the following time:

- We would aim to have a maximum of two meetings before Christmas so we can achieve gold before Christmas
- Some time to share your knowledge with other parents and carers

03. Skills, knowledge and interests

It would be desirable if you had the following skills, knowledge or interests, but it is not essential:

- Knowledge or experience of the UNCRC or Rights Respecting Schools

04. Remit

Your remit would be to support Mrs Murphy and Mrs MacDonald, as required. If at any point you are unable to do something, there is no problem with this.
