

Kirknewton P.S

School Improvement

MY PRIMARY

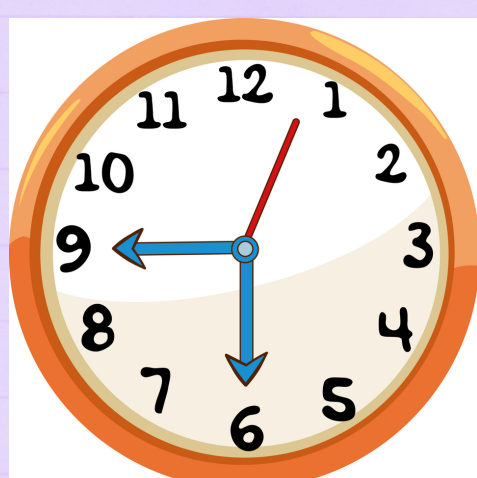

What is it?

MY Primary is providing opportunities for our children to learn something new. This is usually something that is unlikely to be taught by their teacher or included in our Curriculum for Excellence. For example. fashion design, origami

How can you help?

- Run one of our pupil workshops with school staff support, if required (up to 10 pupils)
- Help us to make links with people you know who would be interested in running a pupil workshop
- Contact people and businesses in the wider community to run workshops

How much time?

- Our pupil workshops run for weeks each Thursday from 1.30-3.15pm for two separate groups.
