Dear Parent / Carers,

We're excited to share that **Kirknewton Primary School** is **working towards achieving the Gold Rights Respecting School Award** from Unicef UK, with our official assessment taking place on **Tuesday, 9th December**.

At Kirknewton, children's rights are at the heart of everything we do. Being a Rights Respecting School helps us promote well-being, build positive relationships, and support every child to reach their full potential.

The Rights Respecting Schools Award (RRSA) is granted by **Unicef UK**, the world's leading organisation for children and their rights. It recognises schools that embed the principles of the **UN Convention on the Rights of the Child (UNCRC)** into everyday practice.

Over the past few years, our pupils have been learning about their rights and how to respect the rights of others and now we're taking the next step by aiming for the **Gold Award**.

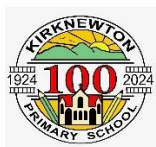

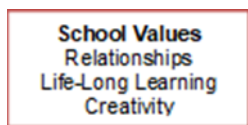

Get Involved at Home!

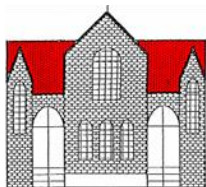

To help us celebrate and raise awareness, we're inviting families to take part in our **Rights Respecting Bingo Challenge**. This fun activity encourages children and adults to explore rights together through simple, meaningful tasks at home.

You can find more about children's rights at unicef.org.uk/crc, or visit our school website for updates.

Thank you for your continued support on our Rights Respecting journey!
